### **Case Studies**

## Israeli Homefront Command

SMART eVigilo was selected by the Israeli Defense Forces (IDF) Homefront Command (HFC).

Developed with the IDF, it went through the most rigorous tests, redefining industry benchmarks.

In 2014 it performed flawlessly for **over 50 consecutive days** under extreme conditions.

## Chile ONEMI

"The messages went out in time." President Michelle Bachelet

In 2010, Chile suffered a massive 8.8 earthquake. The Tsunami claimed the lives of 560 people. Four years later, another 8.3 mega-earthquake hit the Chilean shore. This time the death toll was 5. The difference was SMART eVigilo's national alert system deployed in 2012.
